EMBRACING CHANGE AT UNCERTAIN TIMES: A PERSONAL ADVENTURE

DR. CAMELIA KNAPP
PROFESSOR AND HEAD
BOONE PICKENS SCHOOL OF GEOLOGY

Thursday, Dec. 6th, 2:00 - 3:00 pm, CLB 106A
Livestreaming available to other OSU campuses!

A regular WFC meeting will be held during the first 20 minutes.

Things change ... and it is never easy to accept change. The Earth is an ever-changing, dynamic system, nothing is static on Earth. Having a Geologist's perspective on 'change' gives me strength to accept ever-evolving personal and professional life challenges transcending political and international boundaries.
