

OSU Women's Faculty Council

WOMEN MENTORING WOMEN

DR. NEDRA WILSON

ASSOCIATE PROFESSOR
DEPARTMENT OF ANATOMY AND CELL BIOLOGY
CENTER FOR HEALTH SCIENCES

Thursday, Nov. 1st, 2:00 - 3:00 pm, CLB 106A

A regular WFC meeting will be held during the first 15 minutes.

One of the more important factors in ensuring academic success is mentoring both faculty and students. In this talk, Dr. Wilson will lead a discussion on the role of academic mentoring and suggest mechanisms to foster an environment of women mentoring women.

Live streaming available to other OSU campuses!
